APPIUS™

Rectangles & Squares

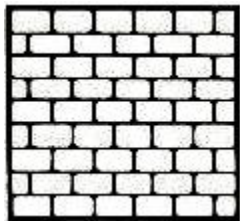

Appius™ imparts classic, European elegance to paved areas with its Old-World surface texture and design. Like the famous Appian Way, the centuries old Roman paved road, Appius™ offers designers, architects and builders unlimited design possibilities and a product sure to provide maintenance-free durability and long-lasting beauty to all paving projects.

This three shape series comes on separate pallets allowing a designer or homeowner the luxury to have random patterns. The rounded and soft edges give this paver a natural stone-look and can be combined with any of our other color blends making your paver project beautiful and timeless.

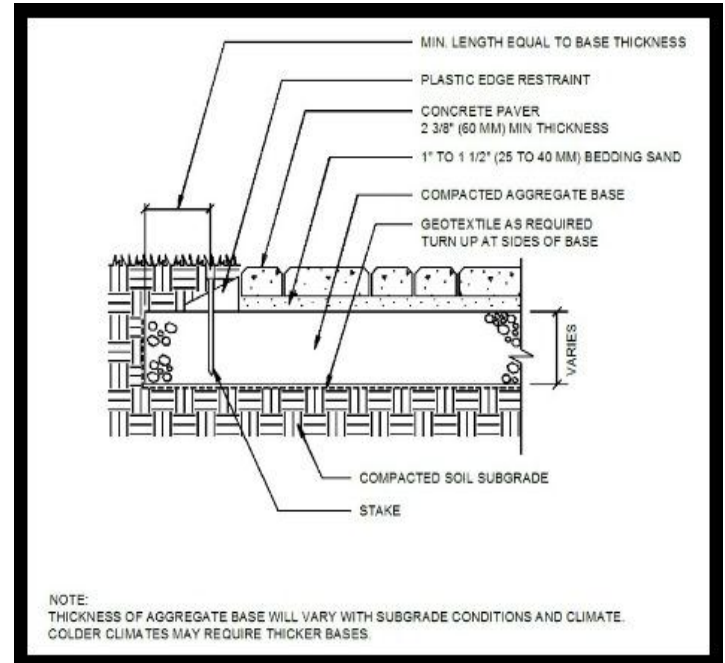

Composition & Manufacture:

Appius™ is manufactured from a “no slump” concrete mix. Utilizing extreme pressure and high frequency vibrations, Appius™ has a compressive strength greater than 8,000 psi, a water absorption maximum of 5% and will meet or exceed ASTM C-936-82 and freeze-thaw testing per section 8 of ASTM C-67-73.
